

RA ARANCIO-PARRAIN • PRODUCTION DESIGN & ART DIRECTION

www.raarancio-parrain.com • Tel: 206-778-0263 • Email: sunlune@gmail.com

My training in theatre design, diverse artistic skill sets and multicultural perspective enable me to offer a unique approach to production design and art direction. I take great joy in moving screenplays from the page to their realized form on screen, with attention to details, celebration of the creative process and sensitivity to the practical constraints of time and budget.
