ABOUT

Amelia relocated to Los Angeles in 2010 to pursue her passion for creating psyche-explorative sets for film and television. After graduating from Savannah College of Art and Design's film school with a cinematography concentration, her childhood dreams of becoming an architect or filmmaker were soon realized in a single, multifaceted occupation as a Production Designer and Art Director. Since landing in California, she has thrived by collaborating with all departments to create many different looks to fit the vision at hand.

SKILLS

SketchUp / Layout with rendering. Currently learning Vectorworks. Adobe Illustrator, Photoshop, InDesign, Bridge. Microsoft Office, Google Docs / Sheets. Extensive experience with hands-on construction, material applications, and fabrication.

EDUCATION

BFA in Film and Television from the Savannah College of Art and Design.
