INTRODUCTION

As a 3-time Emmy Award Recipient with over 23 years in television production, I bring experience and reliability to any team environment. I am detailed focused and work well under tough production deadlines.

EXPERIENCE

The Kelly Clarkson Show 2019 - 2023

- Playback animated & still graphics for show tapings.

America's Got Talent 2020 - 2023

- Build and playback animated lower 3rd graphics for daily show tapings.
- Operate second XPression for live voting graphics using XPression Datalinq software.

The Steve Harvey Show 2018 - 2019

- Playback animated & still graphics for show tapings including timers and score graphics for segment games.

Daytime Emmy Awards Show 2016, 2017, 2018

- Build & playback animated graphics for awards show broadcast.

Oscars All Access 2014 – 2016, 2018

- Design, build & playback lower 3rd animations & fullscreen graphics per producing teams needs.

Dr. Phil & The Doctors 2013 - 2015

- Design & playback social media graphics for show tapings using XPression Datalinq to pull relevant tweets & videos from various social media platforms.

The Ellen DeGeneres Show 2010 - 2013

- Work with various departments, including props, to design, build & playback still and animated graphics for daily show tapings.

Various Red Carpet Premiere Shows 2005 - Present

- Create & playback animated lower 3rd & sponsor graphics for live broadcast (MTV Movie Awards, Star Wars premieres, Marvel premieres, Golden Globes, LFE!).
