"TRIC" Vintage Neon Sign - One Tree Hill

Scenic Callout

scale: none

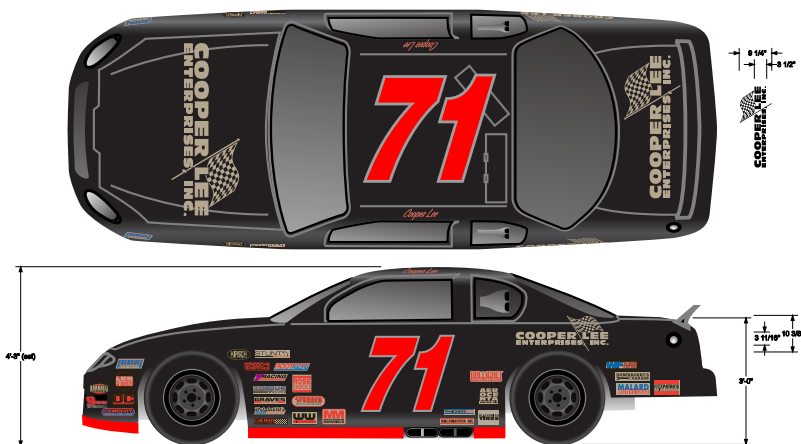

Notes:

- 1) All letters are to be functional for the application of a sporadic blinking effect, with the exception for the letters "T", "R", "I", and the last "C" in the word "Electric", which will be fully lit when energized.
- 2) Bending Pattern will be provided to Neon Manufacturer by the Art Department.
- 3) Pounce Pattern for painted Area around Neon will be provided by the Art Department.
- 4) Galvanized face to be highly distressed and aged appropriate to a sign that has weathered 80 plus years of outdoor use. All paint to be partially peeling and highly oxidized.
- 5) Random Rivets to be missing and the holes to be aged and rusted as necessary to show age.
