WORK EXPERIENCE

SET DESIGN

Art Director's Guild | Local 800

Los Angeles, CA

Digital Set Designer

2019- Present

- Design sets based on the Production Designer's and Art Directors' expectations using Rhinoceros 3D CAD software
- Develop working drawings from 3D models to distribute to Construction, Fixtures, Set Decoration, and other departments
- Collaborate with art directors, construction crew, and independent contractors to ensure sets are built to design
- Survey locations to ensure new builds will conform to on-site conditions

CREDITS

FILM

- Thunder Alley
- Emancipation
- Black Adam
- The Prom

SERIES + TV

- Doctor Odyssey
- Lady in the Lake
- Expats
- Gordita Chronicles
- Everything's Gonna Be Okay S2

COMMERCIALS

- Coyote

SET CONSTRUCTION

Goodnight & Company

Sherman Oaks, CA

Construction Foreman Assistant

2018 - 2020

- Designed, fabricated, and assembled sets, props, and signs for television, feature films, and award shows such as the Oscar's and the Emmy's
- Interpreted and expanded upon client requests to design and create manufacturable parts using a CNC mill
- Created construction drawings for use by welders and carpenters
- Coordinated with project managers in bidding, understanding client proposals, and delegating tasks to crew members
- Processed administrative documents and lead organization of supplies

ARCHITECTURE

Taller Ken FUNdaMENTAL Design Build Program

Guatemala City

Designer

2017

- Collaborated with an interdisciplinary team of international students to transform an industrial site into a public park for the local community
- Self-studied Spanish language to better communicate with the design team, consultants, and community members
- Developed the canopy design for recreational use, detailed metal components for fabrication, and consulted with the canopy expert, tarpaulin distributor, engineer, and metal fabricator
