PROFILE

I am a story-focused designer with a passion for television, film, and entertainment design. My primary skillsets include creative & art direction, set design, graphic design, and concept design.

PRIMARY EXPERIENCE

FREELANCE SET DESIGN & ART DIRECTION

2018 - Current

I work across disciplines as a set designer and assistant art director for production companies like Paramount+, Apple TV+, Hulu, and FX to deliver story-driven, buildable settings for film & television.

TEAM MOBIUS

Art Director & Experience Designer • 2016 - 2018

Worked as designer & art director through development phases - including in-field direction during install - maintaining creative and storytelling integrity of properties. Clients include Illumination Entertainment, Universal Studios, and Universal Studios Japan among others.

BRC IMAGINATION ARTS

Graphic Design, Art Direction, and Experience Design • 2013 - 2016

Worked directly under studio heads to design, art direct, and install experiences for clients like Ryman Auditorium, The Rock & Roll Hall of Fame, and the Milwaukee Brewers.

RETHINK ATTRACTIONS

Graphic Designer & Department Manager • 2011 - 2013

Marquee, wayfinding, and branding design for attractions across multiple international theme parks. Key clients include Marvel Studios, Dreamworks Studios, and Fox Studios.

Contact info available on request.

DAN BISHOP
