Art Direction/Scenic Design
for a Multi-Camera Program:
BUNK'D (Disney Channel)

TV & FILM GRAPHIC DESIGN / ART DEPARTMENT

Design graphics and artwork for on-set and Visual Effects / Post Production use to tell stories and build worlds. Projects range from store front signage to sell a specific time and place; graphic t-shirts used as punchlines, and faux apps on a phone to deliver plot twists. Direct teams of Graphic Artists and Illustrators when working in a Lead position.
