ABOUT THE SET DECORATORS SOCIETY:

Founded in 1993, the SDSA is a professional association uniting film and television Set Decorators with businesses providing furnishings, materials, and services, Associate and Student Members, and friends from across the world. Service and activities include: SETDECOR.com, the online publication; presentation of the annual Lifetime Achievement Award; social and networking events; an educational series, "Day with a Set Decorator" and charitable outreach programs such as scholarships and an annual art exhibition fundraiser. The mission of the SDSA is to preserve the past, provide our Business Members with strategies for success, and pave the way for an ever more professional group of Set Decorators in the future. The SDSA is separate and apart from any labor union and does not represent Set Decorators in negotiations regarding wages or working conditions, leaving this function to the International and local union chapters, including IATSE Local 44 in Los Angeles and Local 52 in New York.

ABOUT AMERICAN CINEMATHEQUE:

Established in 1981, the American Cinematheque is a 501(c)(3) non-profit viewer-supported film exhibition and cultural organization dedicated to the celebration of the Moving Picture in all of its forms. At the Egyptian Theatre, the Cinematheque presents daily film and video programming which ranges from the classics of American and international cinema to new independent films and digital work. Exhibition of rare works, special and rare prints, etc., combined with fascinating post-screening discussions with the filmmakers who created the work, are a Cinematheque tradition that keep audiences coming back for once-in-a-lifetime cinema experiences. The American Cinematheque renovated and reopened (on Dec. 4, 1998) the historic 1922 Hollywood Egyptian Theatre. This includes a state-of-the-art 616-seat theatre housed within Sid Grauman's first grand movie palace on Hollywood Boulevard. The exotic courtyard is fully restored to its 1922 grandeur. The Egyptian was the home of the very first Hollywood movie premiere in 1922. In January 2005 the American Cinematheque expanded its programming to the 1940 Aero Theatre on Montana Avenue in Santa Monica.
