Baby Jane

A collage of 15 stills from the film 'The Grand Budapest Hotel'. The central, largest image shows a grand, ornate interior with a large chandelier, a fireplace, and a man in a dark suit standing in the center. To the right, a man in a white suit sits in a chair. The room features a large painting of a woman in a red dress and a large potted plant with pink blossoms. Surrounding this central image are 14 smaller stills, each depicting different scenes from the film, including various interior settings with furniture, paintings, and people, as well as exterior views of the hotel and surrounding landscape. The stills are arranged in a grid-like pattern, with the central image being the most prominent.
