PHARMACY

A young man and woman are shopping in a pharmacy aisle. The man, wearing a blue button-down shirt, is looking up at the shelves and holding a bag of snacks. The woman, wearing a pink cardigan over a floral top and pink jeans, is looking down at the shelves and holding a bag of snacks. The shelves are stocked with various products, including bags of snacks and boxes of tissues. A large red sign with the word "PHARMACY" in white letters is visible in the background.
