RORY CHENCO

The background is a wide-angle aerial photograph of a futuristic city. In the foreground, there's a dense cluster of dark, modern skyscrapers and industrial structures with tall chimneys emitting smoke. A river or canal cuts through the city, with several bridges crossing it. Behind the industrial area, there's a large, well-maintained green space with geometric patterns, possibly a park or a planned urban area. In the far distance, a massive, sprawling city skyline stretches across the horizon under a clear sky.

ГЯЛ·ПГОЯ

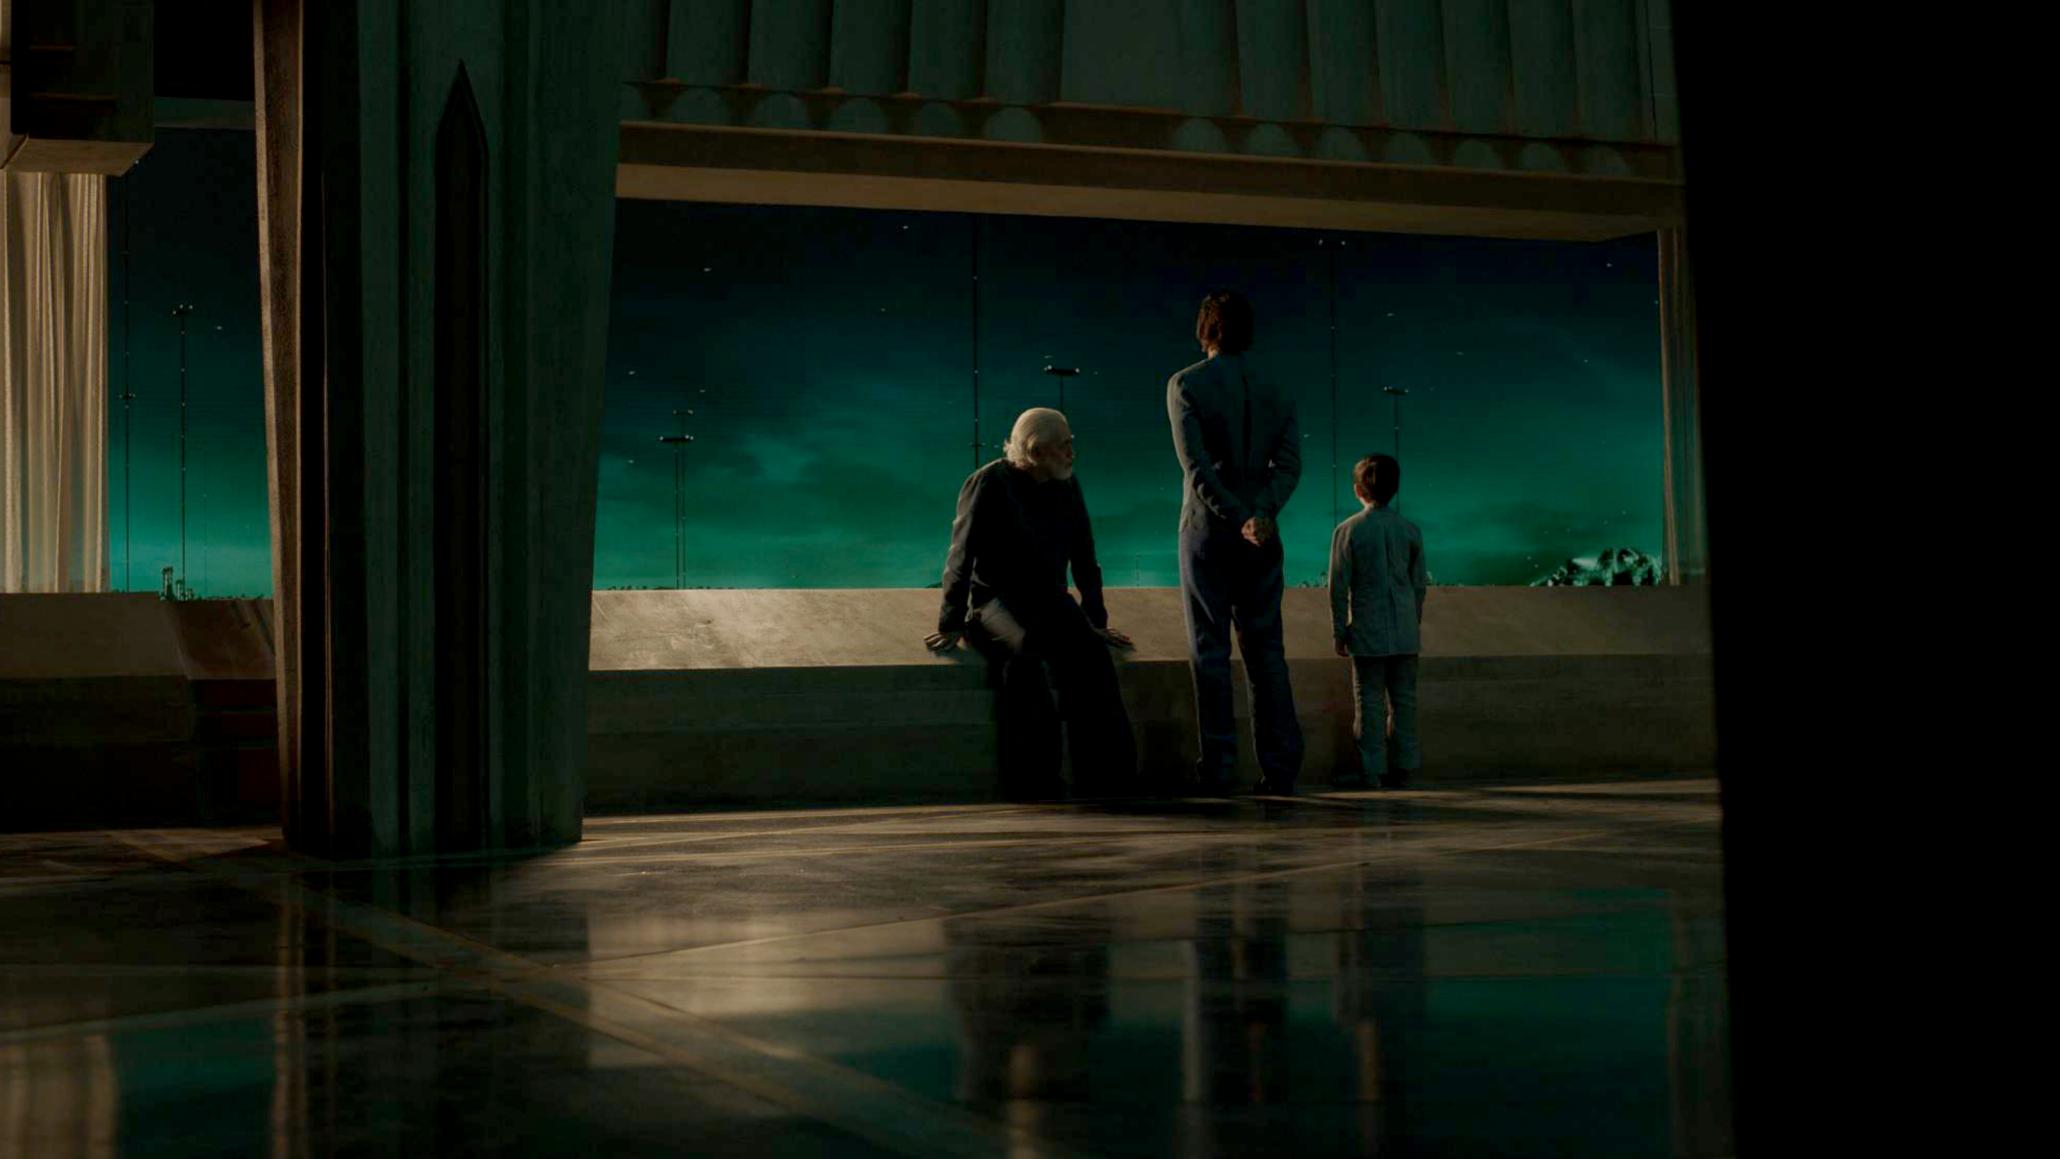

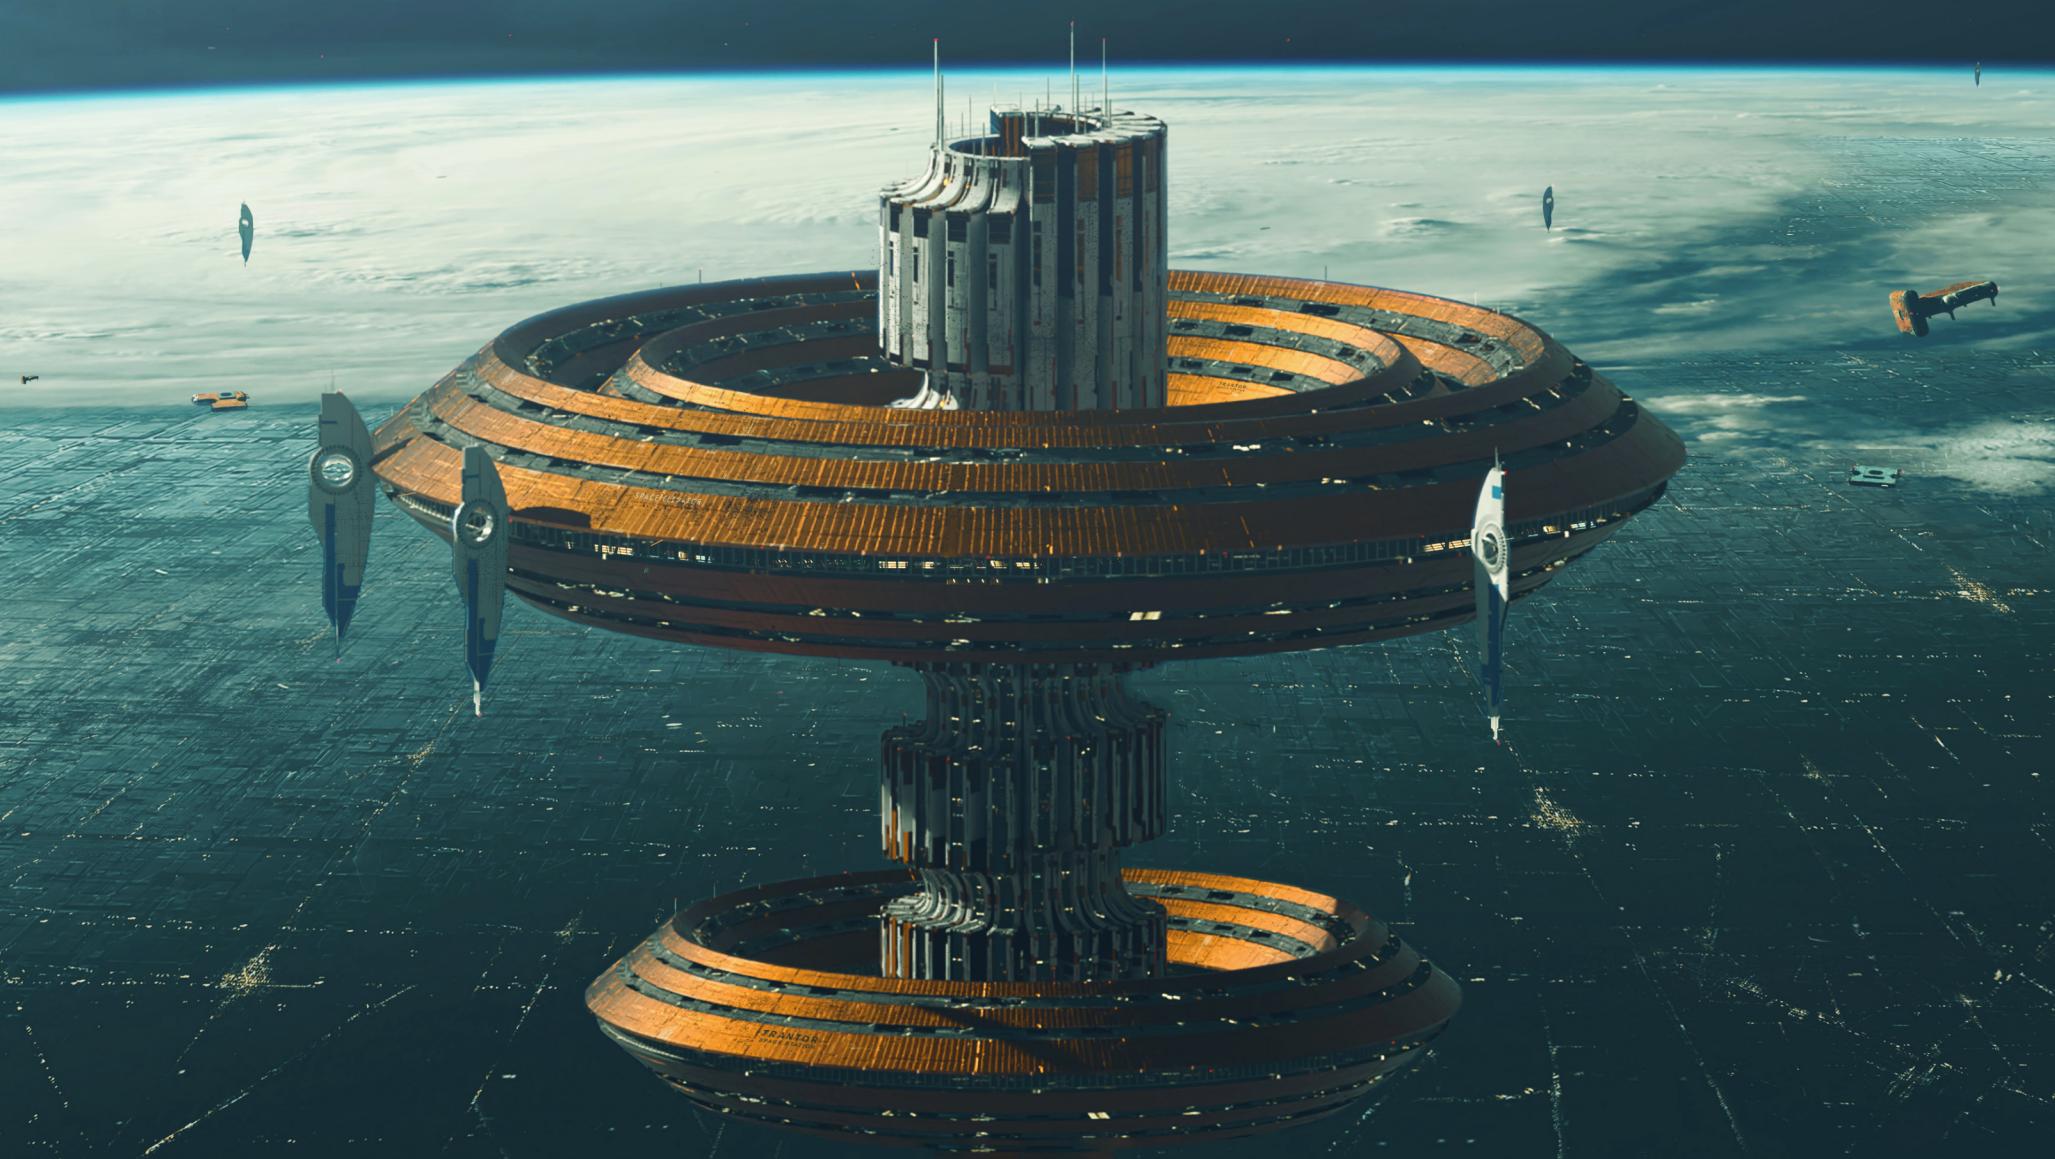

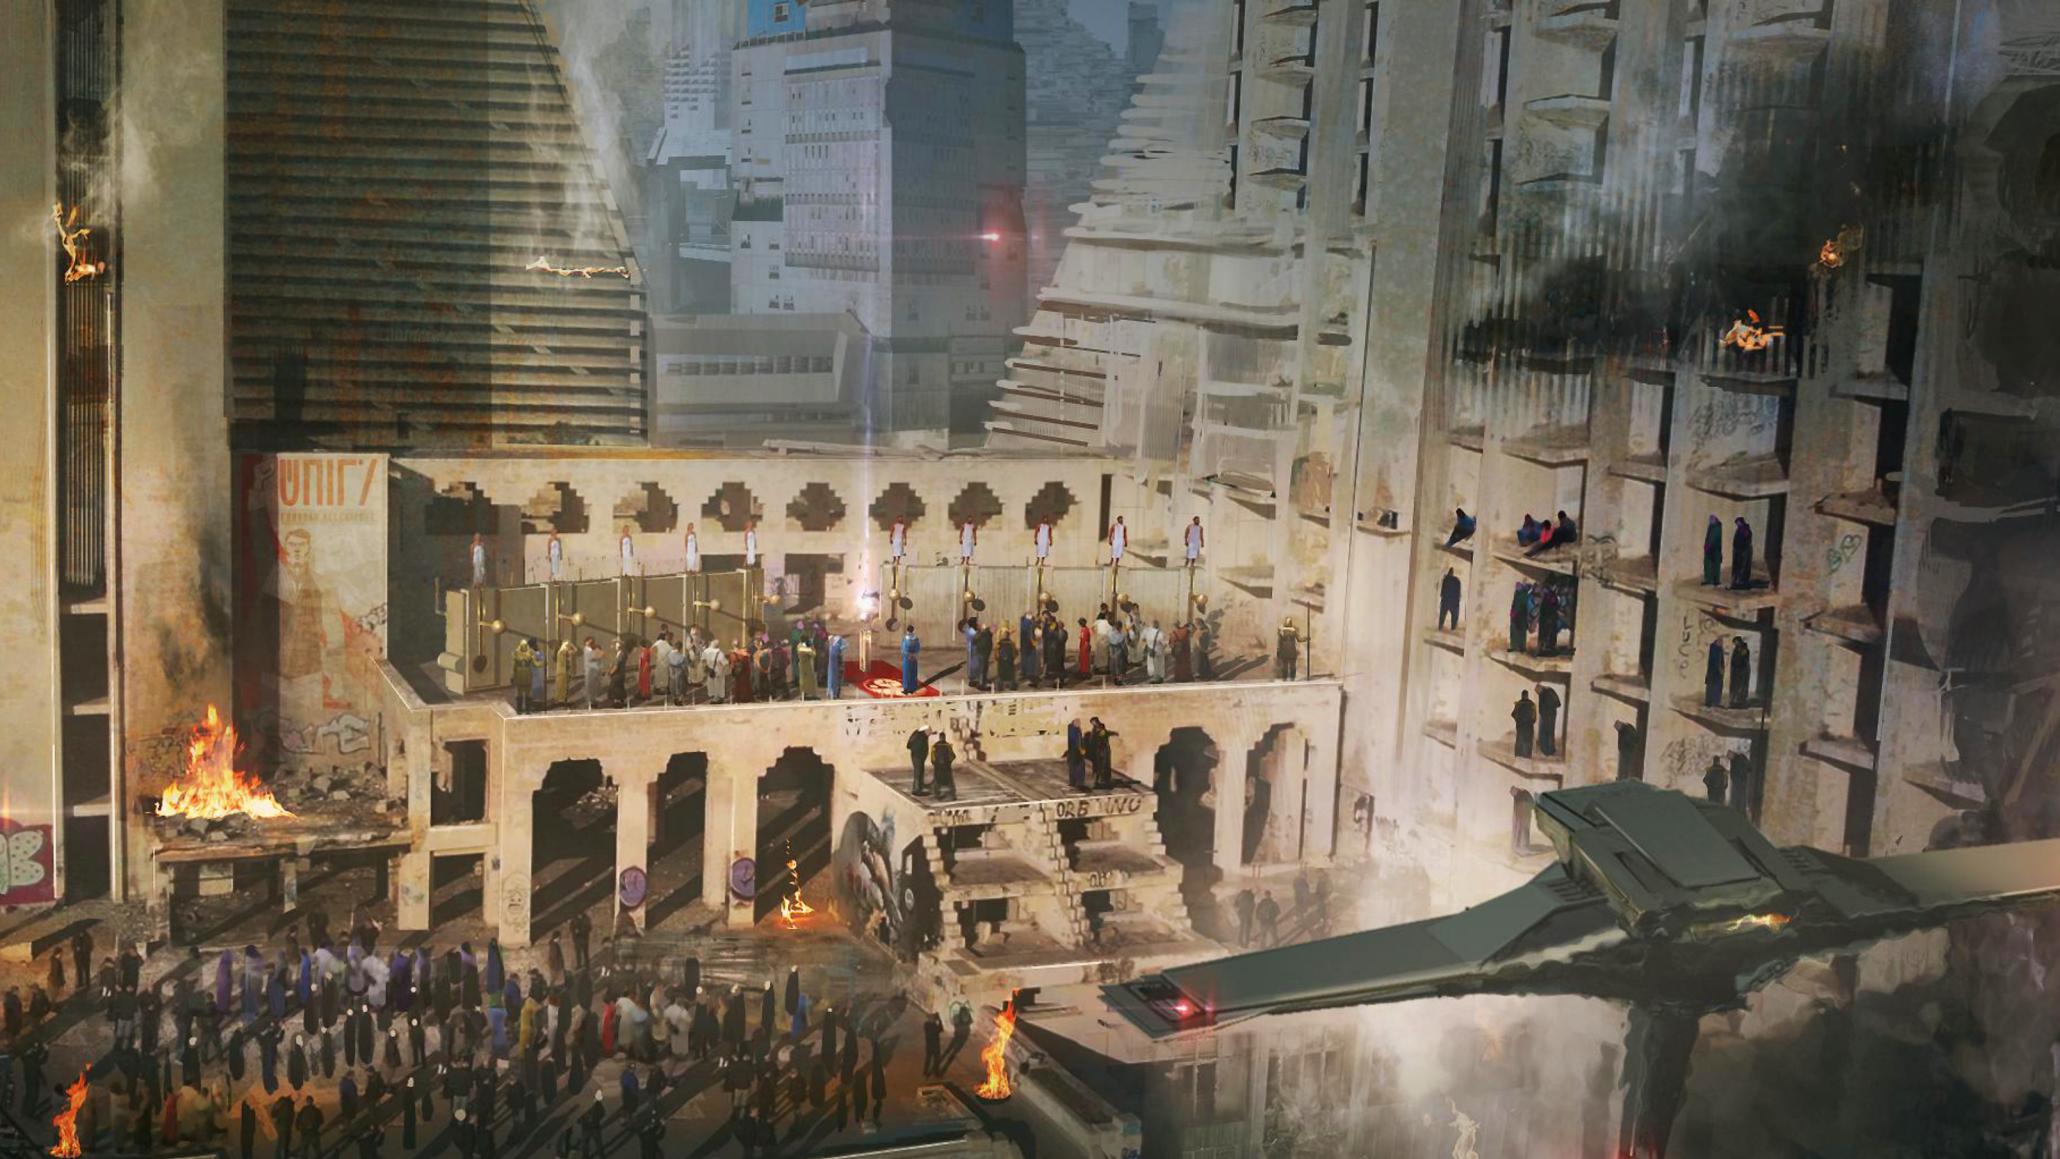

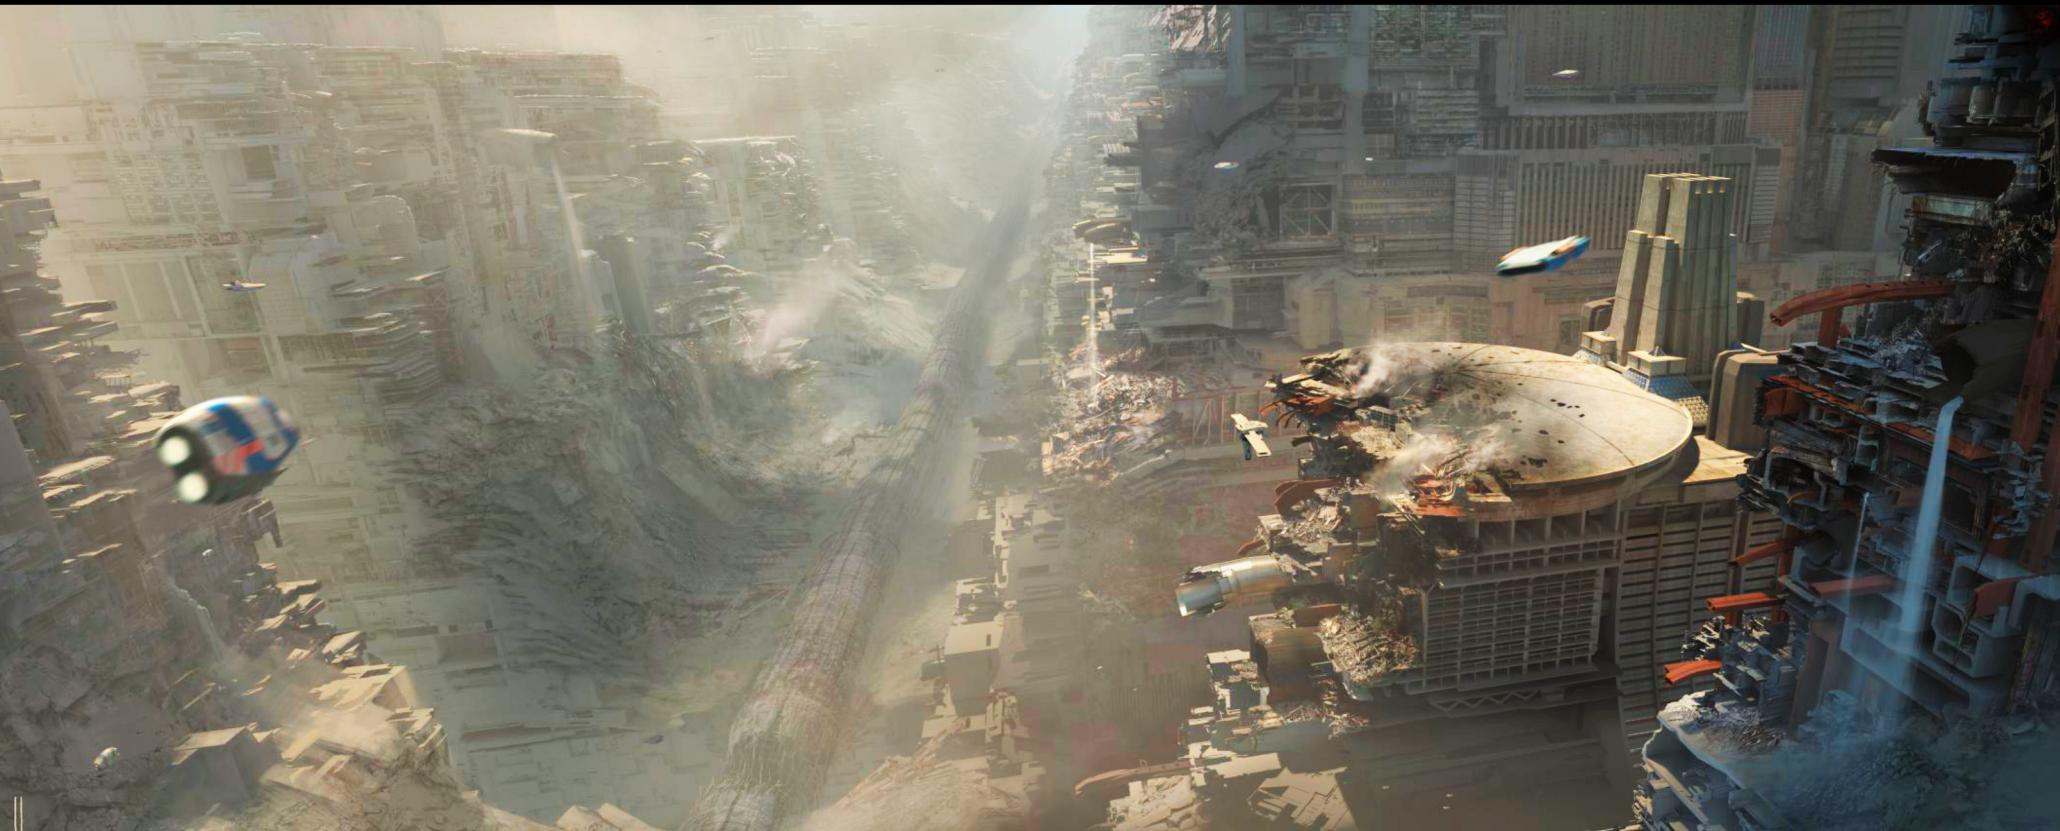

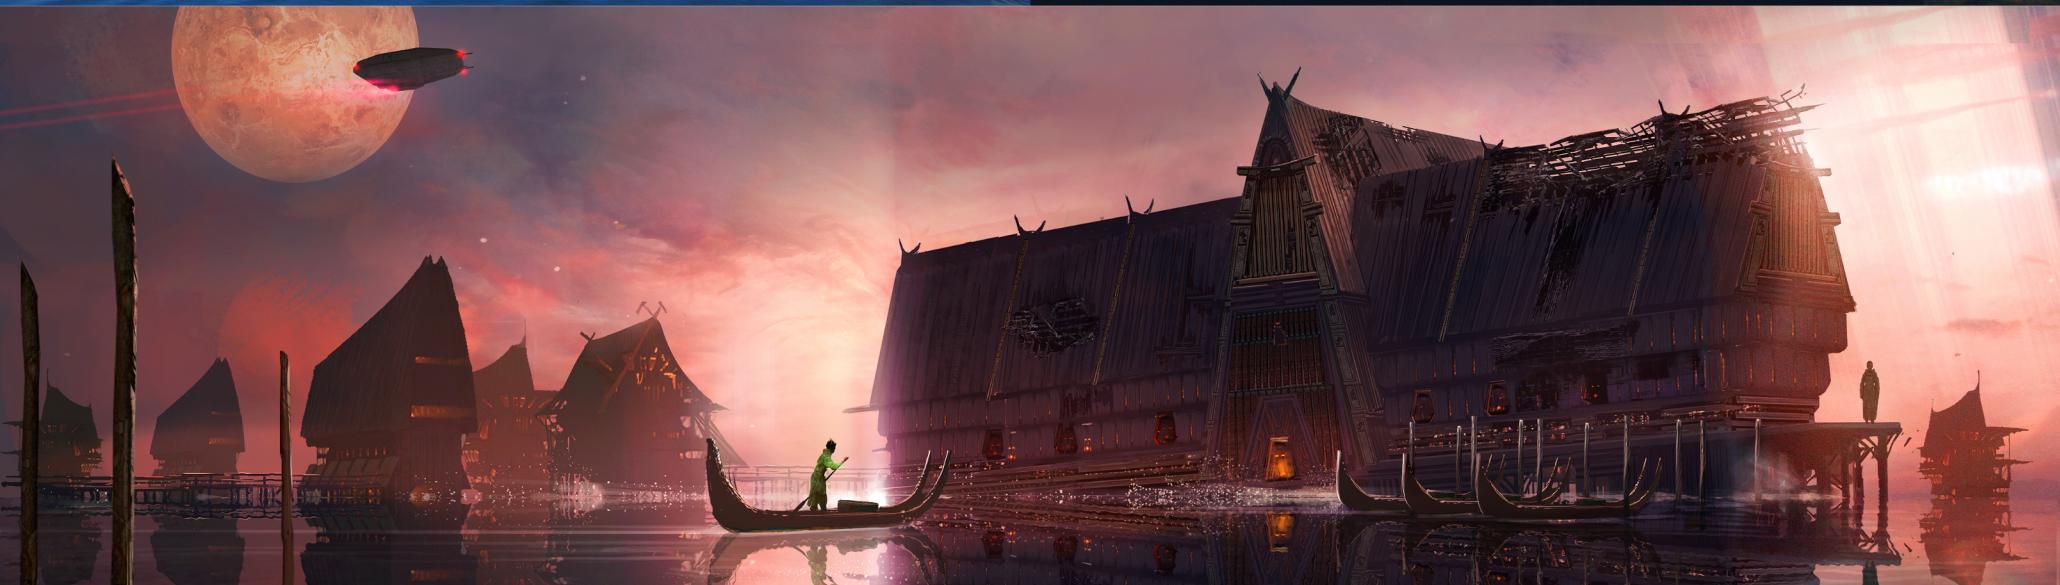

A futuristic landscape featuring several large, dark wooden structures with intricate internal frameworks, some of which are illuminated from within. These structures are suspended in the air over a body of water. In the background, a massive, rugged mountain peak rises, partially obscured by a hazy, orange glow. The sky is filled with wispy clouds and small, distant stars.

A yellow and black futuristic vehicle, resembling a sleek fighter jet or a sports car with wings, is shown flying through a dark, futuristic cityscape at night. The city below is a dense grid of glowing blue and white lights, suggesting a highly advanced urban environment. The vehicle is angled downwards, moving from the top right towards the bottom left of the frame. It has a distinctive design with a long, pointed nose and a cockpit area that appears to be open or transparent. The body is primarily yellow with black accents, including a prominent black stripe along the side and black wing-like structures on the sides. The background is filled with the blurred lights of the city, creating a sense of speed and depth.
