***DEAD GAS GIANT
HALLUCINATIONS***

Saru rejoins the group. The sound of giant bodies hit the ground as Bioluminescent lights flicker and ripple chaotically...

A burst of fire in the sky - the Silhouette of Tentacles failing - The Thundering Sound of massive bodies hitting the ground, hundreds of them all around -The shrieking, sounds of beings dying. -Flashing pinpoints of light in the fog all around him- Panicked Saru begins to run.
