ACTUAL LOCATION

A grand, ornate interior room, likely a living room or parlor, featuring a large, multi-tiered chandelier with numerous lit candles. The room has high ceilings with decorative moldings and walls covered in large, classical-style murals. On the left, there is a large, ornate fireplace with a white mantelpiece. In the center, a doorway leads to another room, and a grand piano is visible in the background. Several light-colored, tufted armchairs are arranged in the room, and a small table with books and a glass is in the foreground. The floor is made of dark wood with a geometric pattern. The overall atmosphere is elegant and historic.
