

MAXTON HALL

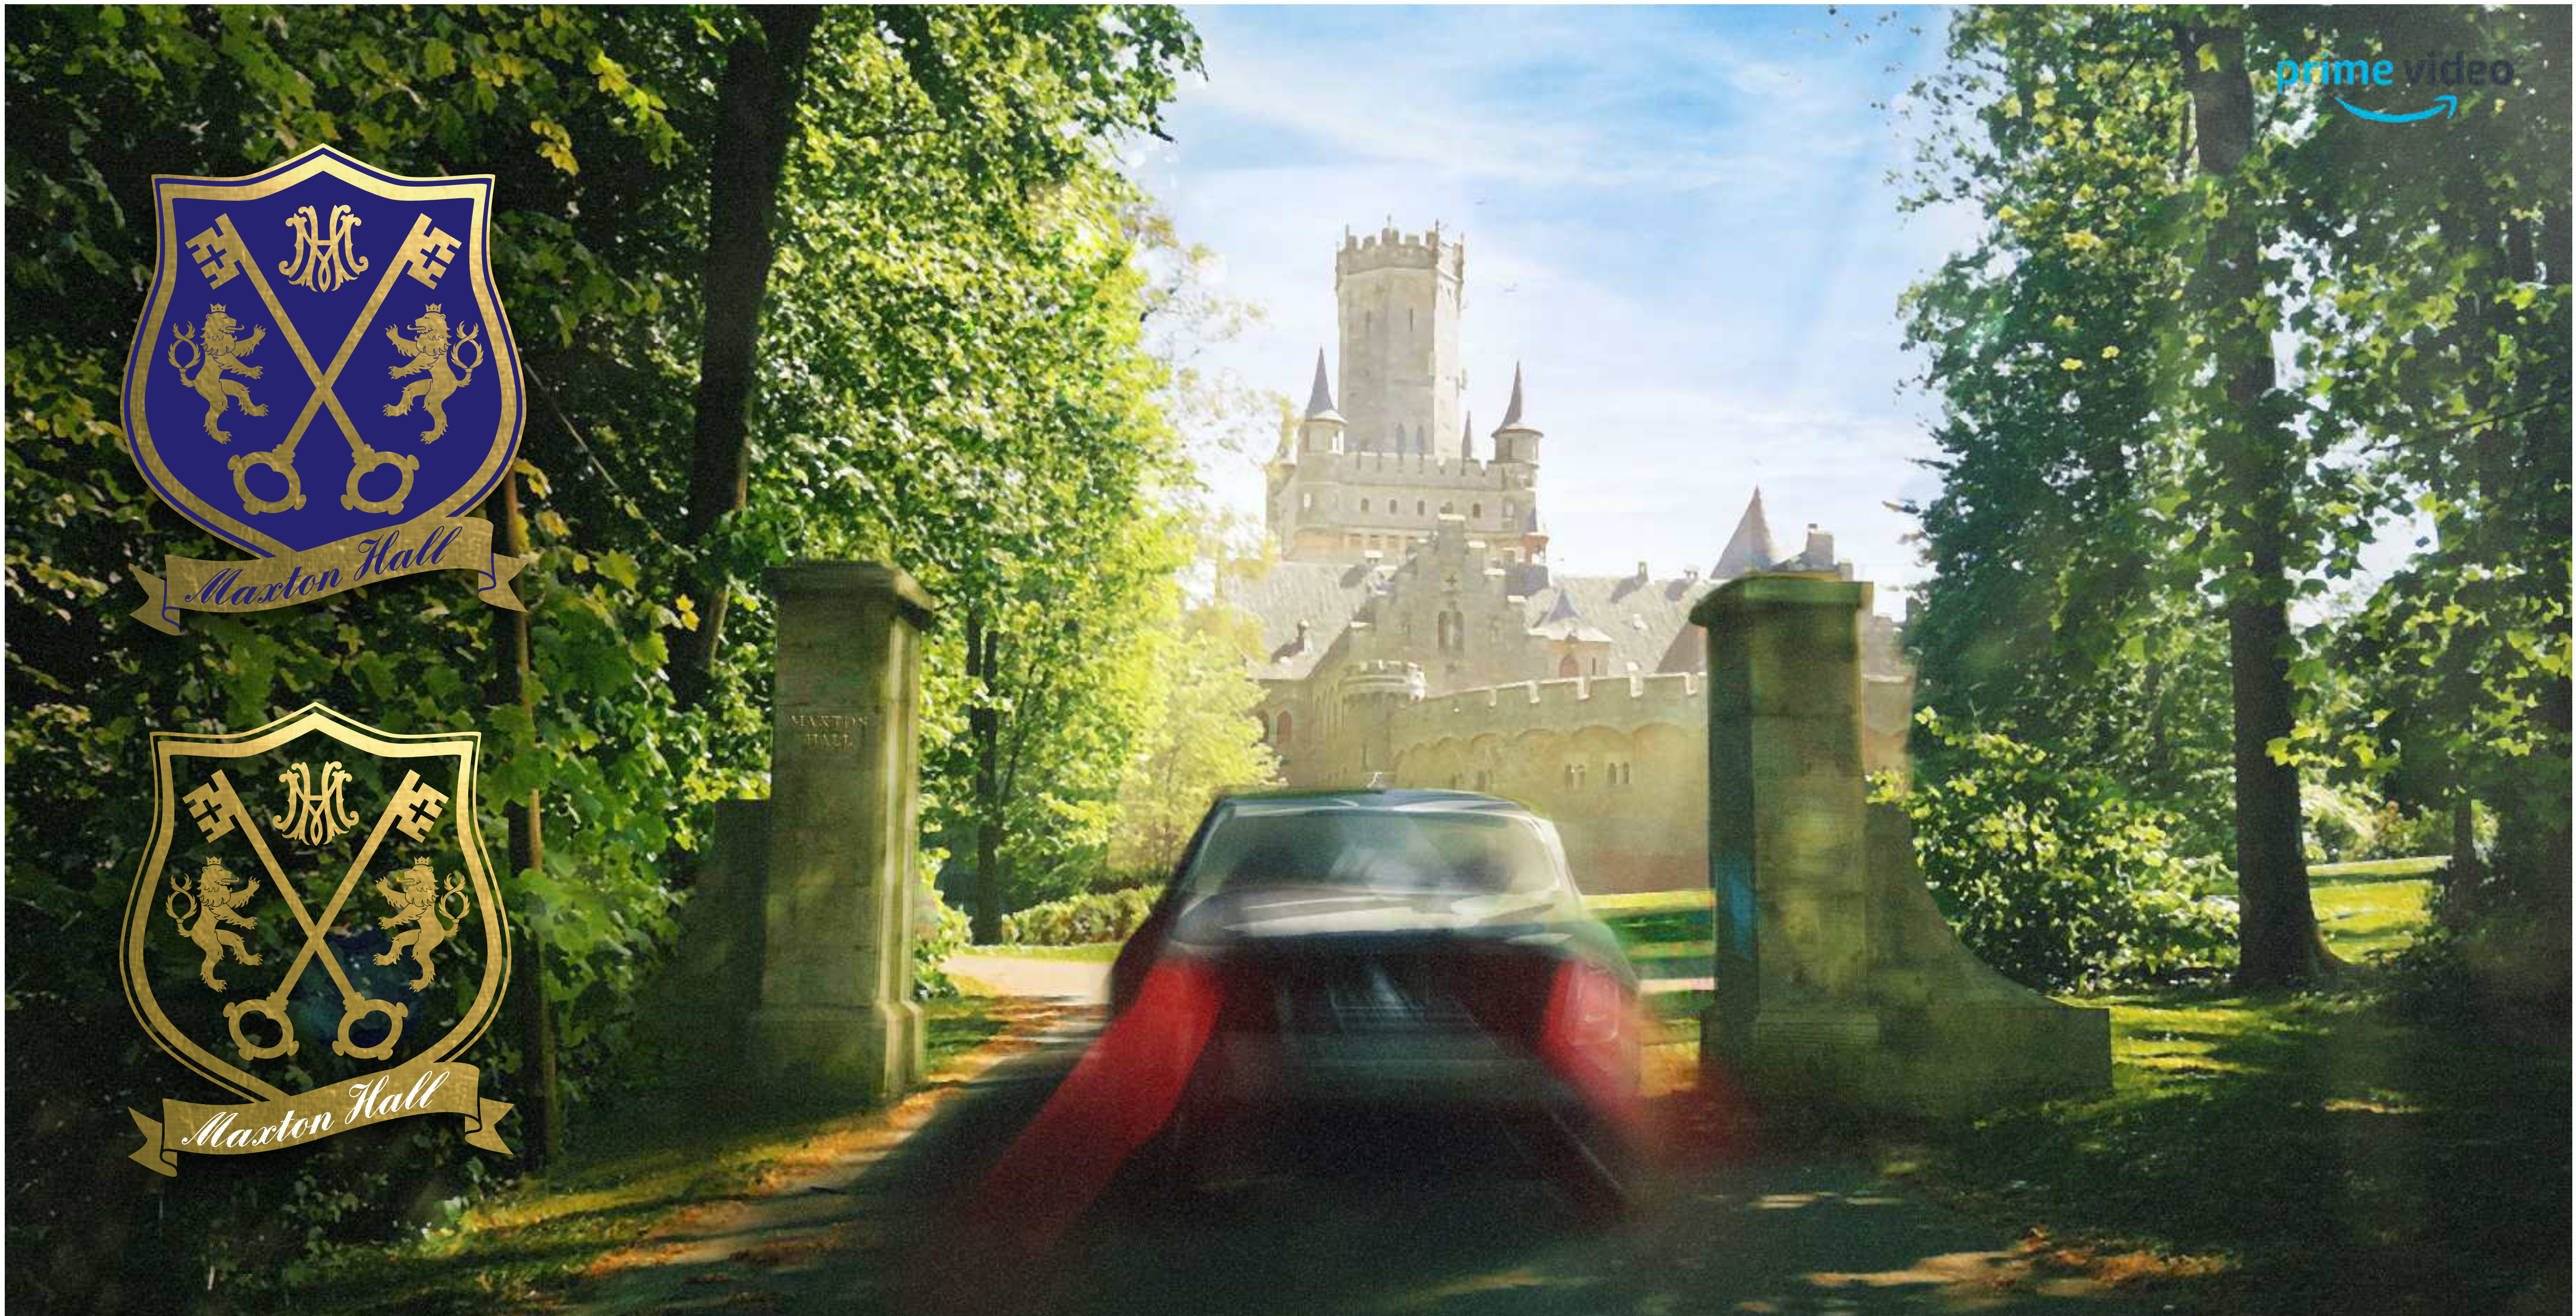

The World Between Us

Production Design

prime video

The background of the entire image is a photograph of Maxton Hall, a large, ornate stone building with multiple towers and spires. The building is situated on a hillside covered in dense trees with vibrant autumn foliage in shades of yellow, orange, and green. The sky is filled with soft, white and grey clouds. The text "MAXTON HALL" and "COLLEGE" is overlaid in the center of the image in a large, white, serif font.
