

A movie poster for the film 'Moles'. The background is a bright yellow. On the left, Brad Pitt is shown from the chest up, looking slightly to the right with a serious expression. On the right, George Clooney is shown from the chest up, looking directly at the camera with a serious expression. The title 'MOLES' is written in large, bold, black, sans-serif capital letters across the center. A horizontal white line, resembling a tear in the paper, runs through the middle of the title.

MOLES

A Film By Jon Watts
Designed by Jade Healy

A new York Story filmed mostly in Los Angeles

PENTHOUSE

A dark, multi-story building at night, viewed from a high angle. The building's facade is composed of a grid of windows. Many windows are illuminated from within, showing interior lights and some furniture. The overall scene is dark, with the building's structure and the city lights in the background providing contrast. The word "PENTHOUSE" is overlaid in large, bold, yellow letters across the upper middle section of the image.
