COLOR

La carpintería se pintará de azul y las paredes de un blanco cálido

Se utilizarán pinturas barnizadas para la Carpintería y vinilo de buena calidad para las paredes.

VENTANAS EXTERIORES

Las ventanas con vista al exterior se cambiarán por persianas típicas de las casas del Caribe de esa época. Dejan entrar la luz pero evitan que veamos hacia el exterior.
Se reemplazarán las ventanas existentes pero al momento de la entrega se volverán a poner las ventanas propias de la casa.
Se retiran las rejas que encontramos en las ventanas que dan al frente de la casa y se volverán a poner y a pintar en el momento de la entrega.

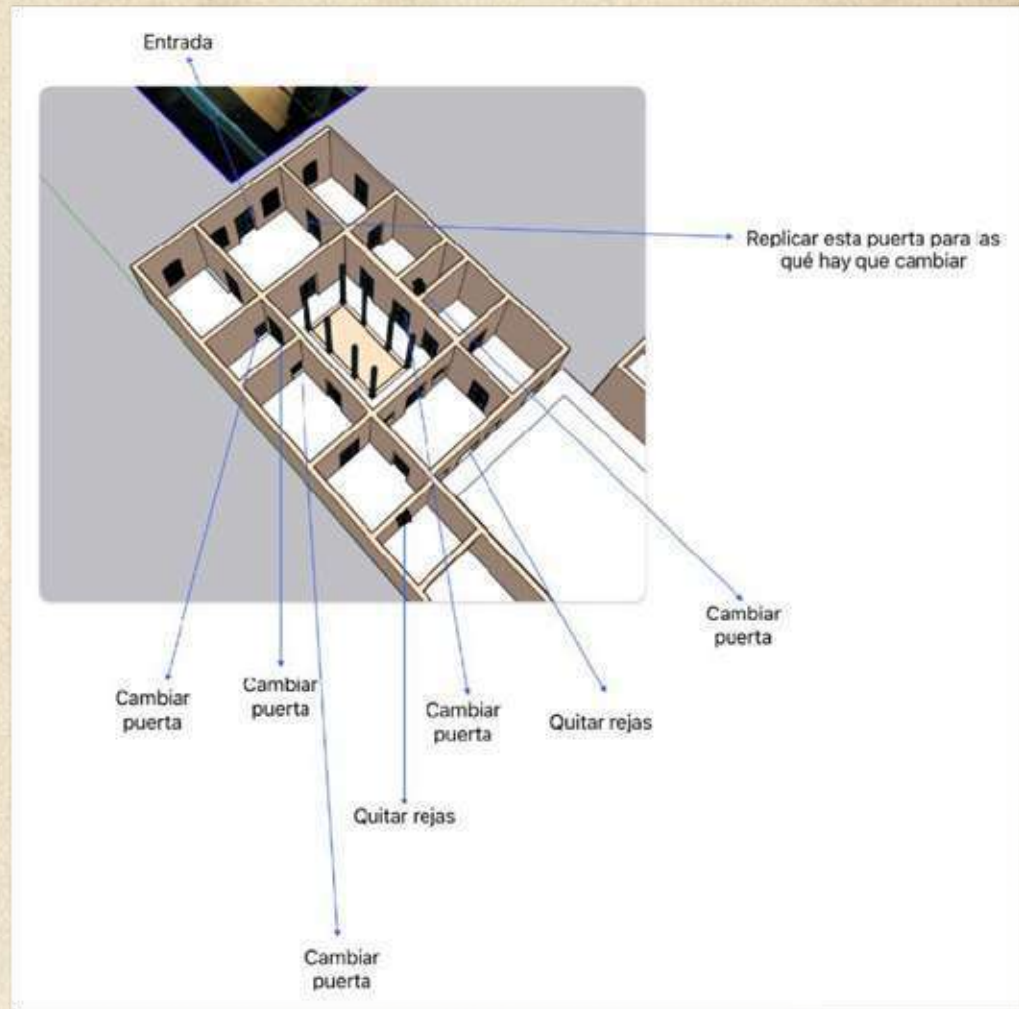

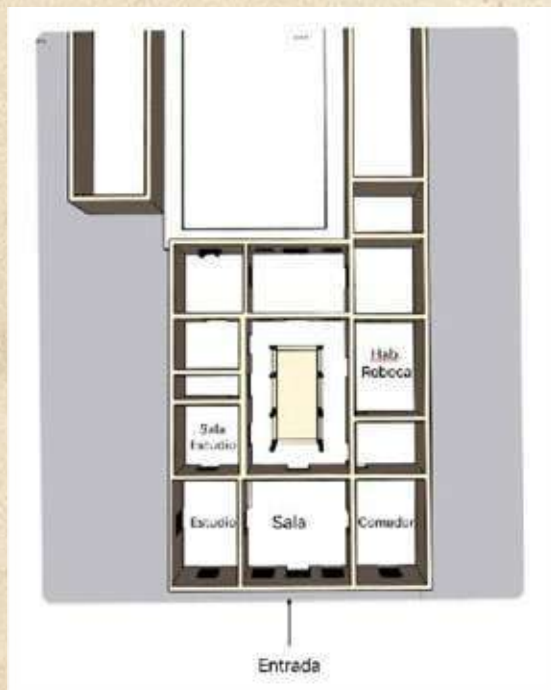

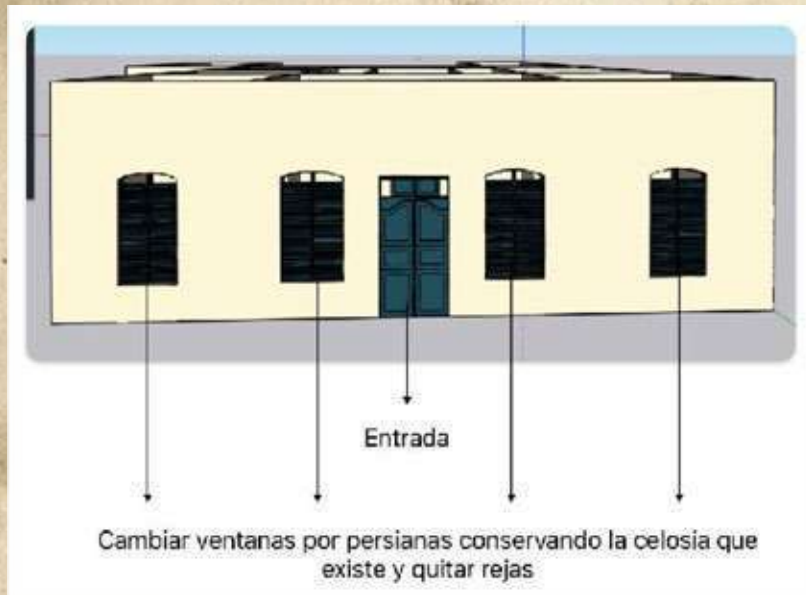

PUERTAS CON VIDRIOS

Se cambiarán las puertas que tienen vidrios por puertas de madera iguales a las que encontramos en la casa
