QUEEN OF HEARTS BLOWS UP

We enter a dorm room to find a group of **Auradon** students eating cereal and jamming to the ***Shuffle of Love*** video clips on the TV. On their cereal box we see **HEART CRISPS**, as if she has her own cereal brand now. On the TV we see a commercial for **SCENT OF LOVE PERFUME**. Bridget has blown up everywhere! We even see a commercial for her own toy doll. Everyone loves Bridgette and her dance sensation!

OUTDOOR RED CARPET & PINK
CARRIAGE

NEVER ENDING DRESS

INTRO (0:00 - 0:08)

Bridget steps out of the carriage, her pink outfit unfurling in a dramatic train that the attendants struggle to manage. As they pull the fabric from the carriage, Bridget giggles with innocent delight, reveling in the full splendor of her beautiful, stylish dress.

Instead of the traditional red carpet, a vibrant swirl of colors leads to the grand entrance, highlighting pink accents on the building and whimsical cupcake architecture that hint at the fantastical world inside. This is Bridget's fantasy version of Castle Coming.

As the intro music drops, paparazzi cameras flash, capturing Bridget looking like a million bucks. With the beat building up, she unhooks her train, letting it cascade onto the colorful carpet, adding to the spectacle of her grand entrance.
