

# Anemone

## Production Design

For your consideration :

Derelict location of Ray's hut as found.

Interior designed and built within the location, together with a copy built on a sound stage.

Ray's hut concept visual.

Ray's hut concept visual.

Both sets created together offering studio and location flexibility.

Location:

Studio:

Ray's encampment, built and grown.

Nessa and Brian's family home mid 1990's
