It's *EASY TO GET THE HANG OF*

When you have the instruction manual handy there will be a list of tips of the trade to get your writer's brain working with it's new robot arm. Shortcuts and how-to's will make the process much quicker. Remember, practice makes perfect. Get ready to write the next amazing American novel with your brand-spankin' new robot arm. Pen not included.

Candles that don't stop! Good luck trying to blow these babies out. They are mysteriously lit again! Works over and over.

X-Ray Glasses

Ever wonder what the bones in your hand actually look like? A realistic illusion of seeing your bones, the structure of your fingers, is possible to see if you hold your hand in front of a strong light source.

OCCAM'S RAZOR

Simplicity rules the roost!
Cut through the BS!
Clear and concise!

YOUR FRIENDS WILL BE ASTOUNDED WITH YOUR BREVITY

Occam's Razor - the straightest way to the point.

Sometimes simple is the best route - and the funniest. It's the perfect way to get to the heart of the matter. Want to amaze your friends with your brutal wittiness? Want jokes so sharp they cut like a KNIFE? Occam's Razor will get you to that point. It's what every good comedian needs. A multi-tool that knows no bounds. Need to get your point across but your audience isn't up to speed? Occam's Razor will show you the way. The shortest, simplest way to get your point across. If you want to take your comedic powers to the next level, don't make a bigger deal about it than you need to. Occam's Razor. Sometimes the best way is the easiest.

The Freudian Slip

MAD SCIENTIST INK

doing smart stuff.

California Institute of Technology

Leonard, Sheldon and Howard constructed a Vari-state Quantum Entanglement Device.

One Day...

of a clean colonoscopy.
In his excitement, he knocked the device off the table.

From that point on, Stuart was entangled with the fate of the universe.

Messages were sent to help him,..

...but the big dope didn't notice.
