Render V.02

Please note: This is a visual render only. Final furniture selections will be presented after scout on the following page with multiple options.

Notes:

- Charming elegant market with white canopy tents.
- Creating a polished cohesive vendor environment for upscale craft fairs & community markets.
- Stringed pennant banners to draw the eye in.

Render V.03

Please note: This is a visual render only. Final furniture selections will be presented after scout on the following page with multiple options.

Color Pallette:

Notes:

- Natural greens, warm woods and muted tones for the banners.
- Modern rustic aesthetic characterized by warmth.
- Modular stalls with wooden bases and clean white canvas roofs.
- Each stand brings its own uniqueness in a cohesive environment.

Render V.04

Please note: This is a visual render only. Final furniture selections will be presented after scout on the following page with multiple options.

Color Pallette:

Notes:

- Vibrant open air market: bursting with color, inviting customers in.
- Farm fresh produce display, apples, peppers, carrots, greens.
- Flower displays
