Quick Sketch Render

Quick Render: Please note: This is a visual render only. Final placement & some details might vary

Curtain Texture:

Curtain Color:

Carpet / Rug Color: 8’ D

Vanity Station: Custom Build

Actual Table:

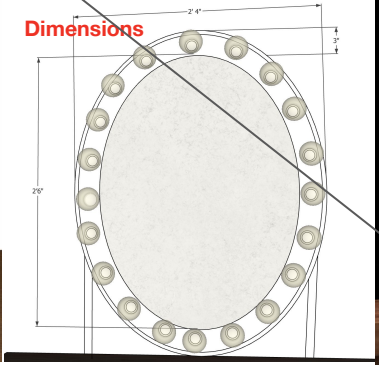

Silver Mirror Matte Finish

Framing is required to support the mirror. It will be kept as thin and minimal as possible while remaining safe.

Dimensions

NOTES:

- Each socket needs to hold 75 Watts incandescent light.
- Mirror Stand needs to be attached to the back of the table cleanly so square footage is taken from our depth of table
- Clean finish, modern, socket inset into the frame so we dont see it.
